

## XIX Workshop on Chagas Disease

#JornadasChagas2025 · 29-30 May 2025

### Guideline for abstract submission

Abstracts on all aspects of Chagas disease will be accepted. At least one of the authors of the research must be registered in the workshop.

Please, send an abstract in the format described below through this form: <https://bit.ly/abstractchagas25>.

Proposals that do not follow the required format will not be considered.

**The deadline for submissions is 28/03/2025.**

**Length:** 300-350 words.

**Language:** Abstracts can be submitted in either English or Spanish.

- **Title:** Both an English and a Spanish title are required.
- **Author/s:**
  - First and last name of each author followed by a number in parentheses indicating institutional affiliation.
  - Full name of the work institution for each author. (Affiliations should be numbered with Arabic numerals and the relevant number should be appended to each author's name in parentheses).
  - Name and full address of the corresponding author, including telephone number and email.
  - Sponsorships, research grants, fellowships, and other information relevant to conflicts of interest should be mentioned.
- **Background**
- **Methods**
- **Results**
- **Conclusions**
- **Key words (3):** In English and Spanish. Three words or short phrases that identify the contents of the paper must be specified for inclusion in national and International Biomedical Indexes and Databases. Authors should use terms from the [Medical Subject Headings](#) (MeSH) or [Health Sciences Descriptors](#) (Decs) databases. We will accept recently introduced terms that have not yet been catalogued in MeSH.
- **References:** These should be cited in the text using superscript Arabic numbers. The list of references should be numbered and presented in the order they appear in the text. Journal titles must be abbreviated according to the *Índice Médico Español* and the *Index Medicus*. Information can be found in the *List of Journals Indexed* published annually by *Index Medicus* in its January issue

and in the *Journals Database* section of the National Library of Medicine (<http://www.ncbi.nlm.nih.gov/nlmcatalog/journals>).

- **Tables and figures:** Tables and figures should be numbered consecutively and cited in the text.
